

Days after Seeding

Figure 1

A high-contrast, black and white photograph showing a dense, textured surface, possibly a microscopic view of a material or a close-up of a rough surface. The image is characterized by numerous bright, irregular spots and streaks against a dark background, suggesting a complex, granular structure.

Figure 2A

M
2
55
F

A high-contrast, black and white image showing a dense, repeating pattern of stylized, light-colored, teardrop or oval shapes against a dark background. The shapes are scattered across the entire frame, creating a textured, almost abstract effect.
